Request for Donation

All proceeds benefit the Deal Island/Chance Fire Company.

The bike tour will take place in the beautiful areas surrounding Deal Island. It is scheduled for Saturday, September 9th, 2017. The tour includes a 15 mile, 30 mile, and 65 mile ride through marshlands, wildlife, and picturesque harbors. If you are unable to join us for the ride, a donation would be greatly appreciated.

Volunteer fire companies depend upon donations and fundraisers to support the costs of keeping equipment up to date and in good working condition. The firefighters give many hours of their time to protect our community. It is imperative that their gear and equipment are kept up-to-date. The skipjack bike tour is a fundraiser to help accomplish that goal.
